The Marist Schools

The Marist Schools are able to offer your daughter a complete and fulfilling education in the security of a single sex environment, from the age of 3 to 18. They are Catholic schools, but welcome all Christians and those supporting the schools' ethos. They are renowned for a warm and happy atmosphere, where pastoral care is considered paramount. Your daughter's individuality will be nurtured to develop and encourage her full potential in every area. Excellent academic results are achieved, but a strong emphasis is placed on extra-curricular activities which help to develop important qualities such as self confidence, individual creativity and teamwork.

The Marist Schools offer before and after school care, which is a great benefit for working parents. They also offer a generous sibling discount scheme. Tel: 01344 626137 (prep)/624291 (senior).

REDUCING KITCHEN FIRE RISK

- Keep the oven, hob and grill clean. A build-up of fat and grease can quickly catch fire.
- Take care if you are wearing loose clothing, it can easily catch fire.
- Check the toaster is clean and away from curtains and power rolls.
- Don't leave pans unattended. Take them off the heat when you leave the room.
- Don't overload sockets - use only one plug per socket.

BRACKNELL & CROWTHORNE LEISURE DIRECTORY 2008/2009

Battersea Dogs & Cats Home, Old Windsor

Battersea Dogs & Cats Home was founded in 1860, and since then they've cared for over three million canine and feline waifs and strays. To bring cats on to an equal 'paw' with the dogs, they changed their name to Battersea Dogs & Cats Home in June 2005.

Their aims are to rescue lost and abandoned dogs and cats, reunite them with their owners, rehabilitate any that need extra help and rehome the ones that are left behind into loving and permanent new homes.

Last year they cared for over 11,000 dogs and cats, brought in as strays from London's streets or given to them by owners unable – or unwilling – to care for them any more. The dogs and cats are cared for by kennel hands, and they have a team of vets and vet nurses to look after medical needs. Before rehoming, every dog has a behavioural and temperament assessment, and Battersea's Behaviour Unit is on hand to provide extra help in overcoming behavioural problems before rehoming.

In addition to the famous site in London, the Home also has centres at Brands Hatch in Kent, and at Old Windsor in Berkshire. Many of the dogs and cats which come into Battersea really need to find peaceful, loving homes outside of the town environment, and the quiet, leafy site at Old Windsor is the perfect place for these animals to live while they wait for the right owner.

There is no time limit on how long a dog or cat can stay with Battersea at one of their three sites. They depend totally on the financial generosity of their supporters. To find out more, and for lots of useful information and advice, visit www.dogshome.org

Advice on learning and work

Quality Advice on completing your CV or help with recognising your work skills (a skills MOT) – and there's no charge!

How does this sound? Nextstep Berkshire is now in its seventh year of providing a free, locally-available service, dedicated to helping adults either find a job, develop an existing career, make a career move or take up new learning challenges. Too good to be true? Yet in Berkshire it's reality thanks to the Learning and Skills Council funded Nextstep Partnership and ESF (European Social Funding).

Nextstep Berkshire provides clinics to help look at your CV or help recognising your work skills. If you need help to find out about courses or check out your transferable skills then one of the trained members of staff could help.

Contact nextstep Berkshire on 0845 601 8595 to make an appointment or for more information visit www.nextstepberkshire.org.uk

You can call in at the following nextstep offices -

Living with a Will

Making a Will means you get to choose who will look after your children. Your house will not have to be sold to pay for long term care fees. Without a Will a married spouse may not inherit the whole estate and an unmarried partner will not get anything. We will help you make your wishes clear so there can be no error, leaving you happy in the knowledge that you have done everything you can to protect your loved one's futures.
Tel: 0118 901 8858

you need a **WILL**...

...to protect your assets for your family and loved ones.

We offer friendly support and advice in the comfort of your own home. Our Estate Planning Consultants are fully trained to draw up or review your existing Will and give expert advice in plain English.

A professionally written Will ensures your children will be cared for by your chosen guardians. It even protects your property should you go into care.
